Got friends over for a party

Discover Weekly reaches one billion tracks streamed in 10 weeks

Posted on October 8, 2015

Got friends over for a party, but clueless about what to play? We know how hard it can be to set the right mood, from including the latest hits to mixing them the right way.

Starting today, Spotify Party delivers professionally mixed playlists featuring brilliantly beat-matched music. Whatever the party, we've got you covered.
